

EPISODE 81 CHEAT SHEET

How to Translate the Word "Time" in French

81 How to Translate the Word "Time" in French

1) l'heure (time)

To express a time related to the clock.

Ex: Quelle heure est-il ? (What time is it?)

2) la fois (time)

To express the number of times something happened, happens, or will happen.

Ex: Je fais du sport trois fois par semaine. (I exercise three times a week.)

3) le temps (time)

To express a length of time.

Ex: Il n'a pas le temps de faire ses devoirs. (He doesn't have time to do his homework.)

4) le moment

To express a particular moment in time.

Ex: Ce n'est pas le bon moment. (It's not the right time.)

5) l'époque

To express a particular period of time (often in the past, but not always). An era.

Ex: À l'époque, il n'y avait pas Internet. (At the time, there was no Internet.)
